Lake Angelus Listserv Policies

It is great that so many people are taking advantage of our 'city wide' mailing opportunity. The purpose of this list is to allow all residents to share information, in an efficient and timely manner.
Some examples would be:

- Security alert; unknown person(s) or solicitors seen in the area.
- Notices from the Lake Angelus Police of activity or concern to our community.
- Change in the time or date of an event (Women's Club, City Council Meeting, etc.)
- City Council Agenda for upcoming meetings
- Change of personal information: phone number or email address.
- Opportunities: resident has event tickets to sell or give away
- Lost and found notices
- Requests for information: "I need a good painter. Can you offer a recommendation?"

The service should only be used for items that will be of interest or benefit to the residents of Lake Angelus. This is not the forum to use for jokes, to post your BLOG, solicit for charities, state your political opinions, or promote non Lake Angelus events. Under no circumstances is it to be used for anyone's commercial ventures, even if they are a lake resident. It's easy to use the email list service:

- In the **To** field, type your email address. In the **BCC** field, type residents@lakeangelus.org Add the subject of your email and then complete the message and send.
- Please do not include any other contacts in an eMail that is directed to our residents.
- Just be sure that you are sending your notice from the same email address that you have registered with the city.

If you receive a "residents" eMail and wish to respond to the sender, please direct your message to the sender, only. Do not use: "reply all". If you are interested in seeing replies to the sender's email message, such as a recommended contractor, send a reply to the sender indicating that fact. The sender's address will be in the "reply to" field of the email.

Violation of these policies may result in suspension of your right to send and receive notices.

If you have any questions, please contact website administrator: clerk@lakeangelus.org
